

HARSHAL JOHN ROBSON

Data Analyst

NW9, London|+44 7587773273| harshaljohnrobson@gmail.com | <http://www.linkedin.com/in/harshal-john-robson>

A results-driven finance and data professional who transforms complex data into clear, actionable insights. With a strong background in financial analysis, system integration, and advanced tools like Excel and Power BI, success is achieved in fast-paced environments where data informs strategic decisions. Processes have been improved, pricing strategies optimised, and cross-functional teams supported, all contributing to a swift and impactful contribution.

SKILLS

- Microsoft Excel (Advanced Level): VLOOKUP, HLOOKUP, INDEX-MATCH, Power Query and Pivot Table
- Power BI/Tableau
- SQL (Structured Query Language)
- Python/R
- SPSS, SAS
- Salesforce

RELEVANT EXPERIENCE

Trainee Data Research & Analysis

Practera | Leeds, United Kingdom | Jan 2024 – Feb 2024

- Analysed cross-border workforce mobility data, developing insights to inform scalable solutions across the UK and Europe.
- Designed and delivered user-focused reports to senior stakeholders, demonstrating the impact of policy changes on workforce mobility.

Data Analyst Intern

Holy Faith Finance Pvt Ltd | Kochi, India | April 2023 – July 2023

- Conducted financial dataset analysis, including identifying discrepancies and harmonising data for global clients.
- Automated reporting processes in Excel, reducing reporting turnaround by 40% and improving accuracy.
- Processed large datasets to support pricing strategies, including segmentation analysis tailored to client deliverables.
- Collaborated with cross-functional teams to ensure the quality and consistency of financial data outputs.

EDUCATION

MSc, Business Analytics and Decision Science (Grade: 2:1)

University of Leeds, Leeds, United Kingdom | September 2023 – September 2024

- Gained expertise in statistical analysis, data modelling, and decision-making tools.
